Chapter 1 - One Great man.....

1 - One Great man.....

Eddie Guerrero was a great man and always will be. Eddie deserves the respect that a king has...he lived a great life and he is living a great life after death...I miss Eddie a lot and he was an inspiration to us all as a fan a person and a human being...I wish that none of this happened that it was a dream so when I wake up your still in the ring lying, cheating and stealing...Eddie Guerrero was a normal everyday man on the outside but he was fighting demons with every breath he took...he fought so hard...and we all loved him for it. And we still love him and we always will.....I don't know if Eddie can see this or read it but he is being missed by so many...so much.....We all miss you Eddie and we all love you...Please if you read this give a shout out for Eddie so he knows that even though he is gone.....We all still love him. God... bless you Eddie....God bless

Jamie Reynolds

P.S... Heaven needed a low-rider...Eddie just had to bring it....

A million words wouldn't bring you back i know because I've tried...neither would a million tears I know because I've cried...
