Chapter 1 - "Close" friends	2
Chapter 2 - "Closer" friends	3
Chapter 3 - "Closer" friends	4

1 - "Close" friends

When you hold me tight
I feel not to fight

But when you hold me tight
I feel just right

But when you kiss me softly
My body goes num with happiness

Your lips and soft and loving
But I fight for you because of the girls that are shoving

I care for nothing but you
Even though i heard a cow moo

But when the day ends
My sorrow ends

2 - "Closer" friends

When my heart breaks
I cry and wait

For my love to come back
Nothing will help that

If I need some help
Ill try not to yelp

Ill try not to die
I will always be by your side

I wish not to leave
But I must flee

I wish not to break your heart
So you must try not...tohold...me...back

3 - "Closer" friends
