Chapter 1 - The Tournament

1 - The Tournament

Having trained for this moment with all my might,
I walked to the ring with my green belt tied tight.
Shaking worry and doubt from my mind,
I approached the ring with my opponent inside.
My instructors gave me a few words of advice,
So I could do my best in this fight.
After scoring a point when the match began,
She punched me hard and scored again.
With the score two to zero, I began to feel like a dope,
But my family and friends told me not to lose hope.
I then got two points, tying the score,
Whoever got the next point would get the first place award.
After moving and dodging her attacks for a bit,
I punched her and then hit her with a kick.
Since I got a third point, victory was mine.
Even though I was nervous, I did fine.
