1 - first and last

Since it's apple season the gang decide to go apple picking
afterschool Apple Picking

Since its appleseason the gang decide to go apple picking after school. Yumi's parents promised to bring them right after school. So the gang hurries after school to meet Yumi's parents.

"Jeremie, what is apple?" asked Aelita "An apple is a fruit that grows on trees." Jeremie replied "I've never saw an apple on a tree before." "That's because apples only grow on certain trees." "Oh, hey there's Odd and Ulrich." Hey Jeremie what took you so long?" asked Odd "Nothing; I was just telling Aelita what an apple is." "Sure you where." "Hey guys, there's Yumi and her parents." Ulrich said

Just as he said this a car stopped right in front of the school. Odd, Ulrich, Jeremie, and Aelita got in the back seat even though it was a tight fit. Soon they arrive at an apple picking place called A is for Apple. Then they got some bags and apple pickers (not people). After that it was off to the rows of trees that were filled with apples.

"Come on Jeremie stop worrying about X.A.N.A. You've already checked for activated towers and nothing has come up." said Yumi "Yeah Jeremie and if X.A.N.A. attacks I'm sure I can deactivate the tower before it's too late." Said Aelita "Jeremie you know the more time we talk about this the more time X.A.N.A. has to attack." Odd said

Jeremie knew they were right so he shut off his laptop and joined the others in apple picking. They all enjoyed apple picking and had a great time especially when an apple fell off a tree and hit an unsuspecting Odd. Aelita tried her first apple and even apple cider, which she loved. Jeremie enjoyed doing something normal with Aelita for a change. Ulrich and Yumi loved being together outside of school and Lyoko. So our young heroes had a wonderful day they will remember forever. But will we?
