# 1 - Untitled

Come sail to my heart

Till death do we part

A garden of sorrow

Shall bloom here tomorrow

Hold on my love

We are like a flying dove

Soaring high into the open blue

Trying to prove our love is true

Their words must not put us down

They must not make us feel like a clown

We shall not let them give us shame

We shall run away from all the pain

I will always be on your side

We must be brave we cannot cry

I never had said

I wanted anyone dead

But that's how it turned out

And we cant live in doubt

We know it is here

We can't live in fear

We are going to turn ourselves in

You think it is over, but it is yet to begin.
