# 1 - Stuck together

Just a little info about this short little story  
when Aang talks its **blue**  
and when Zuko talks its **red :]**  
anyones thoughts are in *italics*  
WARNING I CANT SPELL :]  
ok lets start this story!

~\*So Quick to Love\*~

"Zuko i want you to dance with me"

"**What?!?**," Zuko replied as his eye widened to the young airbender's remark.

"**Just do it!**," he replied pulling his arm towards him then running up to the dragon dance statues.

First Aang then Zuko started the dance of the dragon as they slowly followed the steps in a half circle then combining together fist to fist at the very end.

GGGRRRR, a strange noise grumbled from behind them as they both turned to see what it was. A golden egg shaped thing-a-ma-bob slowly shifted it's way up on a small pillar.

"An egg?!", Aang asked confused

*What the F\*\*k, i dance with aang equals egg out of floor?!? HUH?!? Can someone explain this?!*

Aang rushed up to the egg with a greedy look in his eye he laughed as he picked up the weird egg shaped thing. Before, Zuko could yell for him to stop a gooy green substance had closed both of the benders at the top of the cave with only the their heads and arms above the substance.

HOURS PASSED\*\*

" So Zuko...", Aang huffed, " Ya got anything you'r hiding from me that i need to know?," He asked kind of in a play-around voice while laughing

Zuko without even thinking answered " **Well i sure think you looking extra sexy today**" he laughed a little hoping that Aang would see that he was just joking

Aang joined in on Zukos laughing " **I think your looking a little sexy too,**" he replied still laughing.

Zuko wiggled his fingers a little so the wouldn't be so stiff from being stuck so long. Aang finally finished laughing, then stayed quiet.

ABOUT 15 MINS PASSES\*\*

" **So you really think i look sexy today?**" Zuko asked as he barely turned his head so Aang could see his smile. Aang cocked his eyebrow upwards and smiled at this remark then answered, " **Why don't you tell me,**" He then quickly shifted closer to Zuko and began to Open his mouth slightly and place his lips over

Zuko's. As Their lips met, Aang pressed them gently over Zuko's mouth. Aang sucked slowly on Zuko's top lip, just for a second or two. He then finished it off by getting a little closer and pecking him on the cheek.

*OHHHH HELLLZ YEAH*

*Hah! i bet i showed him whose boss :P*

The Rest of the time before someone realized they where gone they just stayed quiet under the green gush with just their "sexy" thoughts about tomorrow night in mind
