1 - Ape Escape

I was wondering well on Ape Escape Freaky Monkey 5 plus Donkey Kong Rap is kind of a good songfic combo. Specter, Pink Monkey, Yellow Monkey, Red Monkey, and Blue Monkey with their version of DK Rap it will be funny no matter what you reviewers say.

I think it is a good ideal, but to you reviewers. Every time I try to do something, other reviewers have to criticize. I HATE IT, but please ignore the spelling and grammar. I don't own Ape Escape. This is the first Ape Escape Fanfiction that I ever did.

AE Rap

The applause chanting "Ape Escape" waiting patiently in their seats, but in front seats were Jimmy with Pipotchi on his should, Spike, Helga, Kei, Natalie, Professor, Yumi, and Aki.

Jimmy said, "What with all the people in the seat are they being brainwash by Specter?"

"I don't like this one bit, what will Specter do?" said Helga, "The truth is we were given an invitation to come to this concert by someone known as Silver Horror and Gin Kyofu AKA Kyofu Twins!"

"Who are "The Kyofu Twins?" asked Jimmy. "Yeah, I wonder are they Specter's minions?" said Kei.

"I hope are not like them," said the Professor worried, "But I think I seen them in one of the private schools in Japan."

"I was supposed to be on stage in Kyoto, but ruined my stage by coming to this concert," said Yumi in angered, "Hey where is Jake? Have anyone seen him?"

"I sent him on the mission to go to studio where Specter's headquarters are at, but he hasn't show up," said Natalie, "Besides it's a good thing he has show up to ruined the fun."

"Yeah he always a show off," said Spike with a smirked on his face and meanwhile in a storage room Jake was tied up to the chair naked. He was struggling to break free and a girl wearing a black tuxedo with yellow eyes in the shadow.

"Come on don't be struggle and you will missed the fun," said the female monkey with black fur, yellow eyes, and a skull medallion in the middle of the bow.

"I know what are planning Black Monkey," said Jake in angered, "You are new."

"Poor boy, are you confused? Specter created me as another member Freaky Monkey along with Sister Silver Monkey," said Black Monkey evil glare, "But our original names are Gin Kyofu and

Silver Horror, but he say “We are clones of the original Kyofu Twins.”

“We are sorry,” said Silver Female Monkey with a Pink and Red bow on her hair, black and Pink dress wearing white stocking, and dress shoes taking out a gun, “We will have kill you.”

She shot Jake on the neck, but he is not dead he’s been hit by a dart with liquid causing to erased his memory and making him drunk.

“We are so bad, so let the play begin boss,” said Black Monkey talking with the communicator.

“Excellent,” said Specter, “You two are perfect for the job especially you Black Monkey.”

“I rather am called Gin,” said Black Monkey with an evil grin, “Show time.” Black Monkey released him the chains while he was still sleeping while Silver Monkey who take the picture for future blackmailing. They left leaving him unconscious naked on the chair and went to the stage and Jimmy was shocked pointing out to them said, “Is that them in form of monkeys.”

“I thought Gin Kyofu and Silver Horror,” said Spike, “Wear humans. They lived in Tokyo now right since we met them.” “But they looked like they had been cloned by Specter,” said Aki, “But where are they now?”

In the shrine area, Silver Horror and Gin Kyofu waited patiently. “I wondered where they are Gin?” said Silver Horror worried about them.

“I thinking they ditch us,” said Gin who do not care and seeing a Pink Taxi cab when she gives the driver the death glare. The cab went into flames and Silver said gasped, “Gin you know that they wouldn’t like it when you do something negative like that.”

“Why there are so many perverts in Japan?” said Gin Kyofu, “He was one of them blackmailing innocent girls to do his tormenting on them.”

“How do you know?” said Silver Horror, “Was it mind reading?”

“No, I accidentally find Milan watching it on back in London and I don’t like the name of it,” said Gin, “I am not telling it to you and Integra destroy it, but Arucard got the copy and watch it all night. I didn’t know that he was a pervert.”

“Why that?” said Silver.

“You will be screaming in terror causing a lot of death,” said Gin Kyofu with a snared, “And also the parents who adopted us have to pay everything.”

“Oh poo come on Ginny just tell me,” said Silver Horror.

“I have to warn you,” said Gin whispering the words in her ear. Silver Horror was in shock and scream in terror causing the whole windows and glasses to break in all of Tokyo, but Gin covered her mouth with sushi.
