# 1 - TRUTH

TRUTH

Why am i hear?

with you,

am i just entertainment,

or is it possible that i mean something.

these feelings you say,

i feel are lies,

for once i would like the truth,

or would it just make me cry?

when you hold me,

and i feel safe,

do you mean you love me,

or are we just playing games?

do your kisses mean the truth,

or is it just another excuse,

do you really want to be near me,

or is it just becuae you fear me?

will i be held in your memories,

or will you push me away,

would you block me out,

most likely with out a doubt
