**Chapter 1 - My eyes**

**2**

# 1 - My eyes

My Eyes  
behind my eyes,  
are a million lies,  
so grim, so cold,  
never to be told.

sincere and sweet,  
they look when we meet,  
but as we soon get closer,  
the truth appears, like a poser.

Sad eyes, soon turn to hate,  
once again it becomes to late.  
my eyes attract the wierdest type,  
but strangly i do not fight.
