# 1 - At Night

At night,  
when i awake from a bad dream,  
your not around,  
to hear me scream.

i curl up into a ball,  
trying to forget it all,  
and cluthing the bear you once gave me,  
hoping for it to push away my fears.

althoguh i prefur,  
to be holding you,  
your somewhere with her,  
and theres nothing i can do.

at ngiht the stars twinkle,  
and shine,  
comforting and telling me,  
that some day, again, you will be mine.
