Chapter 1 - Truth

2

1 - Truth

Why am I here?
With you,
Am I just entertainment,
or is it possible that your love is true?

These things you say,
I feel are lies,
for once I would like the truth,
or would it only make me cry?

When you hold me,
and I feel safe,
Do you mean you love me,
or are you playing games?

Do your kisses mean the truth,
or is it just another excuse,
Do you want to be near me,
or is it because of the fear you see.

Will i be held in your memories,
or will you push me away,
would you block me out,
most likely...without a doubt.
