Chapter 1 - untitled..

1 - untitled..

i found myself thinking of him,
all day long,
every minute, every second,
i cant help it, and i know its wrong.

the marks on the ceiling,
resemble your face,
the clouds form quickly,
revealing his place.

i look in the mirror,
and i see,
not just myself,
but him next to me.

when he smiles,
my heart flutters,
i could fly for miles,
but i only mutter.

when he hugs me,
my knee's buckle,
when we kiss,
i start to chuckle.

when i say i love you,
i only say it inside,
only for the fear,
that i will start to cry.
