What Is...

What is peace?

Peace is an empty meadow, grass swaying in a gentle breeze,

Peace is a flock of birds passing through the air with ease.

What is calm?

Calm is a trickling stream, flowing over small stones,

Calm is a cemetery full of long resting bones.

What is quiet?

Quiet is a secluded place,

Quiet is a frightened face.

What is war?

War is needless bloodshed and pain,

War is the cries of those who die in vain.

What is anger?

Anger is the tear of a beaten wife,

Anger is the hand on a bloody knife.

What is hatred?

Hatred is the finger on the trigger of a gun,

Hatred is no going back on what you have done.

What is conflict?

Conflict is pain and passion,

Conflict is the end.
