Sasuke wakes up on the first day of High School to a nightmare of his best friend. So was this some pathetic dream, or a memory of his friend's Summer Vacation?

Mostly SasuSaku-mostly, not entirely

1 - That One Suckish Dream

I dont own Naruto, dammit^^

'Sasuke,' He heard the word as a whisper, coming from his best friend in the world. He had her pinned against a wall, in an unknown ally way. She attempted to make her eyes rise to his, but it was impossible. The boy just glared at her unemotionlally, then suddenly he felt his actual self enter the dream. His was in such shock, immidiatly backing away and letting her fall to the ground. He had stabbed her with a knife and her blood now poured on to the ground. "Good job, Sasuke." came a voice from close-by, but he ignored it. He just starred at her. Starred, then screamed.

Sasuke suddenly sat straight up in his bed, cold sweat pouring down his face and body. He just starred blankly at the floor, until remembering the image of a certain pink-haired girl lying cold and limp on the ground, covering blood. He immidiatly griped his face with his hands and tried to cling the image out of him. *'It was only a frickin' dream Sasuke.'* He thought to himself. *'Another damn dream about her...but it was more painful then the last few I've had.'*

His alarm clock suddenly startled him, and he remembered the fact that today was the first day of 10th grade. He tried to shake the image of the girl out of his head, but it was difficult. They had been friends for so long, but over the summer break he had started having strange dreams about her. They hadn't seen each other in a while and they didn't talk at all over the summer. So he was pretty happy that he could finally see her again today.

He got up as his alarm clock started playing, "So Far Away" by Stained. He quickly got dressed in black baggy pants and a sleeveless black shirt. He kinda looked like a punk but he liked the way he dressed. Sasuke walked to the bathroom to take a quick shower and spike his hair. Once he was finally done, he realised he was running a bit late. He rushed out of his bedroom door, first quickly grabbing a special necklace from a shelf on his wall. It was given to him when *she* and himself had known each other for one whole year. She had one exactly the same. The necklace was similar to a leather collar;his was blue and hers was pink.

Sasuke had planned on just running out the door, but his mom made him eat breakfast. So he quickly ate a bowl of cereal before rushing out the door. When he had ran down a few blocks, he noticed a few guys standing at the end of the sidewalk, and a sudden annoying yell. "HEY SESUKE!" He smirked and waved to his other super close friends, Naruto. Next to him stood Shikamaru and Neji. The 3 of them had apparently been waiting for Sasuke for 15 minutes.

## 2 - Finally

OMG I dont own Naruto, but I dont deserve it, some other ppl do though!^^

"God Sasuke, you took forever!" Naruto shouted , even though Sasuke was just a few feet away from him now. "We were about to leave without y-" "Shut up, jacka\*\* , can we just go now." Sasuke interrupted Naruto in a p\*ssed off voice. He really wanted to get to school, he had to see her as soon as he could. Naruto just glared at him, but at least he had stoped shouting. Sasuke just smirked and walked ahead of the other few. Neji smirked and followed, as Shikamaru muttered some 'troublesome' words and walked on too. So Naruto tried to be smart and followed them as well.

A young girl woke up that same morning at the same time as Sasuke. She was also going to his school and she was in the same grade. Luckily she hadn't had a terrible nightmare like him. Of coarse the girl was still very tired, but she was actually woken up by her best friend yelling through her window. "SAKURA, YOU LAZY A\*\*! WAKE UP OR WE'LL ALL BE LATE!" Sakura suddenly realised the time. She had really over slept and her mom didn't bother with waking her up (she doesn't own an alarm clock). So she immidiatly jumped out of bed and ran to the window. "I'll be down in a few, Ino!" Sakura shouted to the girl, before immidiatly changing clothes and rushing with her hair. She had luckily picked out clothes the night before so she didn't have to look for any. She was now wearing an embroidered dark purple shirt and a black skirt.

Sakura was soon ready to leave and rushed out her bedroom door, quickly grabing a certain special necklace on her dresser. She snuck through the kitchen, past her mom so she wouldn't have to eat breakfast. Finally she was outside her house and her friends were all standing on the sidewalk. "Finally!" shouted her best friend Ino. Behind Ino stood two of her other good friends, Hinata and Tenten. "Sorry guys, I-" "Don't apologize, just start walking." Ino interrupted and started walking faster than usual. Sakura started walking at normal spped though, then turned to the other two girls. "I guess Ino REALLY wants to see Shikamaru.^^" Sakura said to the girls, and the 3 of them started giggling. "Well, we haven't seen them like all summer, right? I guess all of us are a little excited." Tenten spoke up, and Hinata joined in. "W-well I suppose I wouldn't mind seeing Naruto again before getting to class." She spoke in basically a whisper, but she was usually like that. Tenten and Sakura giggled lightly, and Hinata seemed a bit embaressed. But they had all been friends for so long, all the girls and guys kinda missed each other.

The 3 girls finally caught up to Ino and soon all of them had arrived at the front of the large high school. Ino screamed happily, "It's so great to be back!" She seemed a bit over joyed, because it got the attention of some students. At that moment, 4 guys entered the front area of the building as well, also hearing a loud voice they could completely remember. But the first of them to speak up was of coarse... "HEY, HINATA!!!" Yes, of coarse it was Naruto. Hinata turned in his direction, and blushed a bit, giving a small wave. And of coarse the fox-like boy just ran up to her and gave her a huge hug! "I missed you a lot, Hinata." he spoke in his light, gentle voice. Hinata's face got a bit pinker. "I missed you a lot too, Naruto." Then she returned the hug very lightly.

"You haven't changed at all, huh?" Shikamaru suprisingly walked up to Ino, a slight smirk/smile on his

face. Ino immediately clung on to him as if she were an obsessed fangirl. "I'll never change, Shikamaru!" She kinda acted like she didn't plan on letting go, but she wasn't blushing. So Shikamaru just put a light arm on her shoulder and she actually did start blushing. Then she immediately started talking about her huge mall shopping spree over the summer, and Shikamaru tried to listen (she was talking REALLY fast).
