Chapter 1 - Allure of the Void

1 - Allure of the Void

All are but illusions in the dark night,
All to caress the things that fright,
I look into the void and wonder why,
How is the time is passing me by,
Hour to hour, day to day,
I feel as if my life wastes away,
The allure of a midnight moon,
The sun will be rising soon,
A single tear run down my face,
Why oh why do i have to place,
My emotions in the darkness of the night.
