Everyone thinks my poetry is morbid, would you agree?

1 - "Faces of Death..."

' Faces Of Death...'

'Here in the Dark is where I wait, Thinking of those I hate.

Seeing their faces, Hearing their voices, They smile as they mock me.

Wishing for a choice, to say a forgiving thing. As if to comfort and contain

my anger, trying to redeem it. Grinning sadly I pittie those few stupid souls attempting

this. As if saying, " You may do so at your own risk." Then the intoxicating pain and

anger flows throughout me. Their ruff hands clawing at me, so incouraging my actions of

death. Sending blood flying to their hideous grinning faces as my soul decends and becomes

free and happy once more...'
