Little Short Couplets

Although the rose has wilted,
Its beauty still lives on.

I m not sure if that one is fully completed but I haven t thought of anything else for that one -THIS IS NOT A POEM

I may not have the look of a true artist,
And I may not look as good as a true artist can paint,
But then again who knows what a true artist can look like

The last one here I just added on the last line but didn t feel like putting it anywhere else. NOT A POEM
