Chapter 1 - Depression	2
Chapter 2 - Soul of Pain	3
Chapter 3 - As I Was Walking Along.	4

1 - Depression

Depression, Devistation, Seeking salvation.
Mania going insane,
No one knows its name.
The driving force wants me to began,
My mind says it is the end.
When will the rain stop when will my mind clear,
please don't leave me always stay near.
Today I am blue today I am sad,
What will tomorrow bring I hope I am not mad.
Hold on don't let go.
Depression, devistation, found salvation.

2 - Soul of Pain

The pain in my soul, The pain in my heart.
I always feel as if I am being pulled apart.
Why does it have to be hard to live life,
Why can't I get rid of all the strife.
Why do I have to be so weak,
Why can't I just be strong,
I just always feel wrong.
I am tired of trying to fight,
I am tired of trying to make everything right.
I just want to lay down,
and hope no one comes around.
Just leave me alone
Don't bother me now
So I can figure out how,
To stop having a soul of pain
that is driving me insane.

3 - As I Was Walking Along.

As I was walking along,
I never knew that anything was wrong.
When they told me I was different,
I did not know what to do.
I said to them please help me if you choose.
All my life I thought something was wrong
I never knew til that day I was walking along.
I would never be normal is what they said to me,
Now who is going to help me.
I pray to God everyday
Please God help me find my way.
As I walked along with God by my side,
He reassures me I am normal
and nothing is wrong
As I walk along.
