**Chapter 1 - Alone**

**2**

# 1 - Alone

I am alone  
All alone in my zone  
As the sun rises  
I never find what I prize  
And thus I remain alone

Hardship, Mayhem, and desolation  
In my sight there is no solution  
For she stole my heart  
My most vital part  
So there is no happy resolution

I have seen what is to be  
And what could have happened to me  
She called me hun  
We had a lot of fun  
Our faces were full of glee

Again and again her lies added up  
Those lies would fill a million cups  
For I believed them all  
And that was my fall  
So now my emotions can never be up

Then I see her face  
It's a reliever for that mace  
Then is goes and is replaced by sadness  
Then that mixes with my madness  
And this makes my case.
