"Cherri, Dear, Mind handing me the remote?" The Owner of The Orphaned Agency For Kids (O.A.K.), Currina Had said that morning, She was a fat old woman who liked to tech kids obedience as she called it.

"No, I don't mind ma'm I'll get it for you.." She said not trying to get in trouble for being 'Rude' as Currina called it.

"Good dear, it's your turn to go to the market in the square so try NOT to run away this time or it's no food for a WEEK!" The woman growled with a scowl.

"Yes, Miss Currina.." She said. She grabbed the wallet from the table and she went outside. She was a well educated girl she was 11 her ragged torn up dress was a Mangeld mess her Golden brown hair was a mess too, but she kept going and then she was snatched off the street. When she woke up she saw two figures in front of her 'Where am I and why am I in this tank of water?' She thought then she noticed that the water was running out then she fell to the floor and one of the figures gave her a star shaped thing with an icy looking crystal in it then one of the figures spoke "Kitsu cherri, You are one of the meows, you have the endangered white lion dna inside of you, you shall be known as Thersa now and we shall take you to your new home.." It was a man's voice.

"Wow! I can't believe it I am a mew what ever that is and I have a new home!" She thought and she grinned and said "Thank you for changing my life! I've never been so happy EVER!"

"Well, First things first we MUST take you to the cafe` to meet your team members and if one of them volunteers to ask her mom or dad to live with them and they say yes that will be your new home and you will have a sister, but first you need some new clothes!" This was a voice of a woman.

"Okay where should we shop?" Thersa asked.

"Anywhere you want" It was the man again.

"How about the Street Botique ala sue? they have something I've always wanted!" She said happily.

"Okay You must pick out 5 pairs of school clothes and 1 pair of sneakers and 1 pair of dress shoes" The woman said before they went inside. Thersa as she was now called picked out a white fluffy dress, black boots, white Nike airs, A gold diva shirt with gold pants, Two pairs of shorts with two green shirts one had the word Fearless on it, and finally she got her dream clothes, a white tufted Skirt with a rippled shirt.
