Chapter 1 - 1

2

His sorrowful wails fill the valley, his morning is so great
He remembers when she died, and inside his heart aces.
Just laying the, black, white, and red, as lifeless as her eyes
He knows he must, but he doesn't want to say "Good-bye".
He wants to run, run far away, he also wants to die
He feels as though a Twolegs tear has fallen down his eye.
"It's ShadowClan's fault!" he wants to scream, "And after what we've done?
"RiverClan's helped ShadowClan, while Scorge was on the run."
He knows of the heartless Clan, he knows they'll sink so low
But he will never forget the day when he killed Iceshadow.
