The story takes place in the "Realm of Angels," where a boy with the powers of light resides. He`s in another story, and was called Reiku meaning; "Elegant Phrase." Quote: "A reflection on the past, presant, and future."

The light fell through the windows, that were covered by the clouds on the outside. "Ahh.. What a beautiful morning this is..!" Kareshi replied to himself. (Note: if you don't know what Kareshi means, it's "boyfriend" in Japanese terms and I think it's cute.) "Ka..re..shhhhiii!!" His girlfriend called, "Hey, there Kareshi! What's up.. Other than you that is?*heh*"

"Oh, n-nothing.. Silver Star," Kareshi answered, "It's just that I.. am not, too sure.. that I.. feel, right.." Silver Star replied, "Feel right.. about what, Kareshi?" Kareshi, just shock his head and answered, "I don't know..?"

"This is the dream of reality.. and of fantasy illustractions..," A voice spoke. "@#\$%!" A boy was calling out. "The dream of reality.. the illustrations of a fantasy," The voice spoke again.

[Full_Note: Kareshi is the boy from the 'Summary' named Reiku. Silver Star is Reiku`s girlfriend who`s name will remain secret for now, and the boy who used the words: "@#\$%!" was Reiku`s friend and rival. His name is Rikki. The voice is only known as the "MYSTERIOUS VOICE." Plus Note: I`ll be adding in some Japanese names and the terms of what they mean in english, but I won`t promise you that they`ll be correct. Additional Note: I almost forgot to tell you, how to sound out the Japanese words&terms. A is ah. E is eh. I is ee. O is Oh.(duh) and U is oo.]
