Cosas sucedieron entre tú y yo.. (Por qué puede es(x2)

Viewing out of the window
Glancing at the shadows you`ve left behind
>> La posición en los caminos esa posición de paso
We`re en cada senderos de otros,

Mirando fuera de la ventana que Mira en las sombras que usted ha dejado atrás

Through time "Our" hearts once soared high above
The sky, but my tears echoes out the memories--
Do you remember.. me? Even so, life echoes on..

Title: The Twilight Horizon

AlterName: The Crimson Heart(that was inside of you)

Dawn into dusk, dusk into dawn life gose on,
Beautiful crimson soldier stand there beside me.
As the dawning of a new day begins with your
Shimmering golden scarf, rapped in the winds.

Twilight, twilight is only beyond the horizon,
As the sky mets the land-- (Ooooh.)
The sky is set a flame of the crimson dust surrounded
By your golden flame-- (Aaahh Oooh yeah.)

Day into night, night into day life gose on..

Shinning silvert scaft is blowing in the air.

11 - Stolen Hearts(2005)

Written by InsaneMitsukai(A.J.)

[Quik Note: This is a song that I wrote about 3years ago.]

Title: Stolen Hearts(Loving Hearts)

Every heart holds captive secrets,
No one knows anything about our overall
Captive feelings or emotions, until we set 'em free

No one understands us, till we tell them,
But sometimes it's hard to say, 'I love you...
I want to stay with you'

A loving heart, a cherishing start
To be with you, and to never let go

My heart holds no captive secrets,
Now I will show everything that I know
I have freed my incapable heart for everyone to see,

No more locked feelings, inside this unreliable heart,
For this I can finally say, 'That I'll never let you go'
I'll hold you close 'till forever...

A glimpse of a truthful start, a gaze at a faithful heart
With you in my embrace

'I'll let my fantasy, take wing and we'll be back at the start
of a brand new heart'
