Chapter 1 - Broken Heart renewed

1 - Broken Heart renewed

All this time your company has been a lie,

I didn't realize, until you made my heart fry,

You never really wanted me,

All you really thought about was how she,

Looked at you.

Your compay was a mistake,

Why can't you realize she's a fake,

I just want to dissapear,

People say I need to get back in gear,

But all I ever needed was that little extra push,

And maybe just make me blush,

But all you ever wanted was her,

And soon you'll crawl back to me when she shows what she really is,

And I'll turn you down, and I can't wait to see that frown!
