1 - The final day

The Final Day Chapter One

Disclaimer: I could never own such a wonderful then InuYasha.

“InuYasha....Inu Yasha....InuYasha....InuYasha....Inu Yasha....”

She cried his name out one last time,

“Inu Yasha!”

But he didn't turn back, not even a glance...

He was gone.

Somehow she knew this day was to come,

but she was hoping it wouldn't.

The battle with Naraku was finally over,

and she thought she'd be able to resign with him.

That was until she came back for him,

Kikyo.

Inu Yasha had already chosen Kikyo over her,

long, long ago.

So now she was all alone,

Alone to cry...

Never to see the man she loved ever again.

That thought broke her heart in two.

So she went home...

Never to return again.

3 years later

“Kagome, is everything okay?”

“Huh?...”

Even after all these years,

she still thought about him constantly.

Was he okay, did he follow Kikyo to his death...

She just couldn't forget him.

Even if she was with Hojo.

“Are you not feeling well?”

“Just a little...Would you mind if I go home?”

“Of course not...see you soon.”

She then left.

She didn't bother saying goodbye.

She knew exactly what she was going to do,

She'd go home and stare down

The Bone Eater's Well,

Then she'd pray he'd come for her.

It wasn't long after she started to have emotional break downs.
She tried for three years to forget,
But she couldn't do it anymore.
So she disappeared...
She really disappeared!
All she left was a note that said:

Mom,
I'm going away for a while.
I'm not sure when I'll be home,
but don't worry, I'll be fine.
I just need to clear my mind.
Love,
Kagome.

Her mom knew exactly where she was,
even before she read the note.
She had gone back....
Back 500 years in the past.

It had been so long since she had last been there.
It seemed like a dream,
but she didn't have time to think about that...
She had come for one reason.
To find him...
Inu Yasha.

2 - You've Changed

You've Changed Chapter Two

Disclaimer: Ha Ha Ha, I finally own inuyasha...what? It was only a dream.... *crying*

“He’s back!”
“Everyone run!”
“Please don’t hurt us...”
“Hee, hee, hee...”
He was about to kill them,
and he was laughing.

She walked up the all so familiar steps,
to an all so familiar hut.
Slowly she walked in.
“Kaede...are you here?”
“Kaede”gome, is that really ye?”
“Yea.”
“My child what are you doing here?”
“I decided to see how everyone was doing.”
“Oh....”
Kaede paused.
Not as if she was thinking of something to say,
she was saying plenty.
Something bad had happened.
“Kaede, what is wrong.”
“It’s....”
Once agin she paused.
She has a scared look in her eyes...
And there was sadness.
It looked as if what she was about to say,
would change Kagome’s life forever....
It did.
“....InuYasha.”
“What about InuYasha ? What is wrong with him? Is he...god no!”
“No my child, he is alive but...”
“But what?”
“He has changed...”
“Changed how?”
She was unsure why,
but she feared the answer.
What could have happened to InuYasha,

that would make Kaede act like she was afraid of him.

....What had happened?

â€œMy child, he is but a demon now...â€?

â€œDâ€emon.â€?

â€œ....One who only lives to kill.â€?

3 - Old Friends

Old Friends Chapter Two

Disclaimer: You can only dream of owning the only person you love...why can't I own InuYasha.
Crying

"What do you mean?"

What happened?

Why InuYasha...

Why had he changed?

What had happened in those 3 years...

...when Kagome wasn't there?

"My child, I myself do not know truly what happened. Go find ye friends."

"You mean Miroku, Sango, and Shippo?"

"Yes."

"But, I don't know where they are."

"It might not help, but Sango is usually in her home village."

"You mean the demon exterminator village?"

"Yea, but as for Miroku and Shippo...well you're on your own."

"Thank you, Kaede...I will fix this."

Kagome then left.

She needed to know...

What had happened.

Kagome was about to leave the village,

when she noticed something shiny..

..and pink.

Her bike!

She thought she had lost it.

Well it would save her some time.

Later

Kagome finally arrived at Sango's home.

Hopefully Sango was there.

Hopefully she'd be able to tell Kagome what had happened

to InuYasha.

"Sango..."

"KAGOME!"

She was relieved that Sango was home.

Now she'd get her answer.

"You're here."

"It's been such a wonderful time..."

"I know."

Kagome looked at her friend.

Something was different about her.
She just couldn't figure it out...
Had she gained weight....?
A lot of weight.....?
"Sango, are you okay?"
"What are you talking about?"
"Well..."
"Oh you mean, why I'm so, well, why I've gained weight?"
"Ye, ummmmm..."
Deep down, Kagome knew..
But she couldn't believe it.
"Are you?..."
"Yep. 6 months."
"Oh my gosh!! Who's the da..."
Kagome stopped.
It couldn't be,
could it?
"Kagome..The father is, well, Miroku."
"Miroku!!"
She knew it.
"Is it that shocking?"
"YEA!"
"Well anyway, what did you come for?"
"Well..."
"Come on Kagome. I know you didn't come here after 3 years just to see me."
"Ummm..."
Sango looked at her friend.
Her face looked exactly like it did when..
Now Sango understood.
"Kagome, you came to find out..about InuYasha, didn't you?"
"Yea.."
"Alright..but you have to wait for the others before I can tell you."
"Others?"
"Oh yea, we all kind of live together."
"You mean Miroku?"
"And Kohaku and Shippo."
"Shippo?"
"Yea, after you left, Shippo didn't have anywhere to go, so we let him live here."
"Oh..."
At that moment,
three shapes entered the hut.
Bet you can't guess who they are.
"Kagome!"
"Shippo! Miroku and Kohaku."
"What are you doing here?"
"She came to ask about..."
Sango paused.

It was as if,
she didn't know how to say it..
But she was going to say it anyway.
"InuYasha."

4 - The Truth

The Truth Chapter Four

Disclaimer: I don't own InuYasha. Thanks for ruining my hopes and dreams...you big meanies.

“Hee, hee, hee.”
He had just slaughtered an entire village,
and he continued to laugh.

Kagome waited.
She needed to know,
but she was scared.
She didn't understand why....
Still, she needed to know.
“Well Kagome, it started right after you left...”
“Yea, Kikyo did the most horrible thing ever.”
“She let InuYasha believe he could live with her,”
“But the moment you were gone....”
“She went back to the world of the dead.”
“After that, InuYasha got very depressed.”
“He had lost both you and Kikyo...”
“Both of the women he loved..”
“But why didn't he just come get me?”
“Because he had left with Kikyo...”
“He had chosen Kikyo over you...”
“He didn't want you to feel like a second place girl.”
“So he was all alone again..”
“That was, until about a year and a half ago.”
“What happened?”
“We aren't exactly sure our self but,”
“Something snapped in him.”
“He turned into a monstrous demon.”
“We figured it was because he had once again lost everything.”
“We wanted desperately to tell you..”
“But none of us could pass down the well to your time.”
“And none of us could stop him.”
“I see.”
Kagome couldn't believe it.
InuYasha was a demon...
Because she had left....
And Kikyo had betrayed him.
Now she knew for sure.

She had to save him.

“Then I must find him.”

“Kagome, you can’t.”

“I must.”

“But Kagome... You realize none of us can help you, right.”

“Yea. Shippo’s still a kid, Miroku’s wind tunnel is gone and I’m... well.”

“I know and it’s okay, because this is something I have to do on my own.”

“I understand... Just be careful.”

“I will.”

And with that,

she left.

5 - I'll Find You

I'll Find You
Chapter Five

Disclaimer: It's a quarter past and I still don't own InuYasha.

"So he went this way?"

"Yes, but I wouldn't chase after him my lass,"

"thank you."

"No don't go...he will kill you!"

It had only been a day.

Searching....

And she had already discovered where he was.

It wasn't that hard,

especially when your looking for a

crazed demon,

who's killing humans...

But it wasn't his fault.

It was hers.

And Kikyo's.

"InuYasha, I'm coming."

If she was lucky,

she'd be were the villages said

he was by tomorrow.

If she was lucky,

she'd be able to

save him.

She sure was hoping she would be

lucky.

The Next Day (sunrise)

She has finally arrived.

She didn't sleep last night...

She couldn't think of anything else but him.

But now that she thought about it...

She was scared.

What if she couldn't save him.

What if...

No,

she couldn't think that way.

She had to believe she could save him.

It was the only way.

Now all she had to do was find him...

No problem.

Just follow the dead bodies.

“Huh?”

Kagome gasped.

There he was.

Alone.

He looked so much different,

but that was to be expected.

“InuYasha...”

He turned his eyes to her.

His eyes were full of evil.

This was not the InuYasha she knew

and loved.

Would she ever be able to save him,

or would he have to live the rest of his life

as this monster?

“InuYasha...”

6 - Come Back

Come Back
Chapter Six

Disclaimer: I don't own InuYasha..unless he's being sold on E-bay.... *searching E-bay*

“InuYasha...”
“Grrr...”
He took a step towards her.
She was afraid.
“Please InuYasha...”
She was unable to finish.
He was running towards her.
He didn't remember her....
....that's what she had been afraid of.
“Wait InuYasha...Please remember me....”
It wasn't working.
He continued to come closer,
and closer,
and closer.
He was close enough for Kagome to notice
his razor sharp claws and fangs.
She was afraid he was going to kill her...
But she didn't move.
If she had to die to save him,
then so be it.
She would make that sacrifice for him...
She'd do anything for him.
“Hee, hee, hee.”
“InuYasha please come back.”
It was too late.
He had already struck her.
Kagome's arm was bleeding
badly.
She was in pain,
but she didn't scream.
She just stood there,
trying to get through to him.
InuYasha.
“InuYasha, it's me....Kagome.”
The moment he heard her name
he paused.
He was trying to remember...

But he couldn't.
So once again he attacked her..
Cutting her waist...
But this time,
as he was backing away,
she grabbed him.
If her words couldn't reach him,
maybe her scent could.
InuYasha tried fearfully to get away...
But something about being in her arms calmed him down.
"InuYasha,"
she whispered.
"I love you."
InuYasha stopped struggling.
Kagome glanced over to his face.
His eyes...
They were golden yellow,
those were the eyes she remembered.
"Ka-gome..."

7 - Love

Love
Chapter Seven

Disclaimer: I love InuYasha. I might not own him, but that will never stop me from loving him.

“Ka”gome...?”
As he said her name,
Kagome felt drips of water fall on her shoulder.
He was crying.
Before she realized it,
she was crying too.
She had done it.
She had saved him.
“InuYasha...”
“I’m so sorry...”
“It’s okay.”
“But I hurt you...”
“I’m just glad your okay.”
“Kagome...”
He looked at her.
It had been three years
since he had last seen her.
So many different emotions were running through him,
as he glanced down at Kagome...
And before he realized it,
he had leaned down...
And now was...
He was
kissing Kagome.
He let up,
and smiled...
Kagome had turned a few shades red,
but both of them were so in
love.
In love with the person standing
next to them.
“Ahh.”
Kagome let out a small cry.
She had finally started to feel the pain
in her arm and waist...
She had lost so much blood already.
Then she collapsed.

â€œKAGOME!â€?

Later

Kagome faintly opened her eyes.

She could only make out a few shadows.

â€œKagome!â€?

She recognized that voice.

â€œShippo?â€?

â€œKagome...your awake!â€?

That was Sangoâ€™s voice...

â€œKagome, itâ€™s okay. InuYasha brought you here to my hut.â€?

â€œInuYasha...whereâ€™s InuYasha?â€?

Kagome quickly sat up,

forgetting all about her injuries.

She was too concerned about where InuYasha was
to even notice them.

â€œDonâ€™t worry. He just went for a walk with Miroku.â€?

Well at least she knew he was safe.

â€œKagome.. I canâ€™t believe you got through to him.â€?

â€œI know.â€?

The pain kicked in.

â€œOww...â€?

â€œKagome, lay down. You need to let them heal.â€?

â€œThank you, Sango..Shippo.â€?

It was about five minutes later

when InuYasha and Miroku finally walked in,

InuYasha walked over to Kagome

to make sure she was okay.

He didnâ€™t even notice that Sango had drug
both Miroku and Shippo out of the hut.

She knew they wanted to be alone.

â€œKagome, are you okay?â€?

â€œI am...but what about you?â€?

â€œWhat are you talking about....Iâ€™m just fine.â€?

That was the InuYasha she knew.

That was the InuYasha she loved.

8 - After

After
Chapter Eight

Disclaimer: Iâ€™d be the happiest person alive if my name was Kagome.... but itâ€™s not, just like I donâ€™t own InuYasha.

â€œSo whatâ€™s next?â€
Kagome finally asked InuYasha.
She didnâ€™t expect an answer,
so what InuYasha said next,
shocked the heck out of her.
â€œIt doesnâ€™t matter...as long as Iâ€™m with you.â€
â€œInuYasha...â€
â€œYea?â€
â€œThanks.â€
â€œHmp.â€
â€œOh yea...I almost forgot...â€
â€œForgot what?â€
â€œInuYasha...SIT!â€

BANG

â€œWhat the heck was that for Kagome?â€
â€œFor not coming and getting me.â€
â€œOh you...â€
â€œTee hee..â€
â€œNow what?â€
â€œOh nothing.â€
â€œWomen.â€
â€œSIT!â€

A Few Months Later

â€œWahhh Wahhh...â€
â€œSANGO!â€

Sango finally had her baby.

It was a girl.

Luckily InuYasha and Kagome
had left way before
the baby was born.

Of course,

they still tried to help Sango and Miroku,
but they always ended up making things
worse.

As for InuYasha and Kagome, well...

They donâ€™t act any different than they did

three years ago...

Except for the fact that they both love each other..

Which they kinda always did.

The End
