inuyasha : kikyō i don't hate you i"t your soul i care about.

kagome ran off to the well

inuyasha but

kikyō : what

inuyasha : i can't sacrifice kagome there is a lot of people who care about her

kikyō : but i thought you hate her inuyasha i need her soul if i will to live in this world

inuyasha i don't hate kagome we had a fight and i.. love kagome the same way i feel about you (he said this in his mind: maybe even more)

kikyō : i understand inuyasha you can stay with now my soul will be set free soon

2 - the song

that he say kagome at the well and stood behind a tree

the song

kagome : she's beautiful in her simple little way .she don't have much to say when she gets mad . she understands she don't let go of anything . Even when the pain gets really bad . I guess i should've been more like that .

you had it all for a pretty little while. And somehow you made me smile when i was sad .you took on a chance with a brushed and beaten heart. and then you realized you wanted what you had .i guess i should be more like that .

i should have held on to my pride.I should have never let you lie .i'll guess you deserve . i guess i should've been more like her .forgiving you. she's stronger than i am . you don't look like much of a man from where i at . it's plain to see desperation showed it's truth. you love her and she loves you with all she has . i guess i should 've been more like that . i should have held on to my pride . i should have never let you lie .i guess you got what you deserve .

i guess i should "ve been more like her .she's beautiful in her simple little way.
