Chapter 1 - In my mind...

1 - In my mind...

IN MY MIND...

Darkness lies in wait

For light is at the end of every

Tunnel

And small children with wings

We call them angels

Are not messengers of God

But the Devil in disguise

For their wings are black

But Hope and Love are there for every

PErSOn

Who believes it's there

And yet a small child calls out for her mother and The Angels take her

And they take her

To the back allies of my mind

Where Darkness never sleeps

And Hope and Love linger only in the shadows of Day

For the true Angels cry

And the true Angels cry...
