Chapter 1 - On Top of the World

2

1 - On Top of the World

My whole world seems to revolve around me
I feel like a princess upon her throne
But there's something missing
Why did you have to show me love
I'm on top of the world
But I don't have you
Everything else is going great
But its all wrong when theres no you
I'd give it all up if I could
I'd do that for you
But you're gone
It seems for good
Was it true love
Why is this all so new
I'm on top of the world
But don't have you
Everything else is going great
But its all wrong when theres no you
Why is it you
What makes you so special
Why do I feel this way
What really is true love
I'm on top of the world
But I don't have you
Everything else is going great
But its all wrong when theres no you
I want to be free
I'm in a trap
And yet I still want you
I still want you
