1 - Yugi vs. Evil Kaiba Take 50

Note to readers. Yugi is Yami Yugi in this story & the story is a little of base because I felt like being a tad original. Also this one is non Yaoi/Yuri

Yugi: I play Mystical Elf in defensive mode. I'll also play the Book of Secret Arts & one card face down.

Evil Kaiba: Face down huh. Well I can do that to. Now Blue Eyes white lightning attack!

Yugi: Not so fast Kaiba for my face down card is huh No!

Evil Kaiba: What's wrong Yugi?

Yugi: I play Power Decrease it decreases your power by 300 points.

Evil Kaiba: HaH-hah! 300 points that's not enough to stop the attack.

Yugi: No!!!!

Yugi: No I I lost.

Jonouchi: Hey doesn't the director say cut by now?

Anzu: he shot himself last take.

Honda: Than who will run the show?

Pegasus: This is my island so I will run the show.

Jonouchi: Hey how did you get here?

Pegasus: Don't you mean why am I here?

Jonouchi: That's what I said why am I here? Wait a minute! Why are you here!

Yugi: Pegasus hand over my grandpa!

Pegasus: Do you have ten star chips Yugi-boy?

Yugi: Um. . . . No.

Pegasus: Do you have any star chips?

Yugi: Um. . . . No.

Yugi: Noooooooooooo.

Jonouchi: What are we going to do now?

Anzu: You still have star chips don't you Jonouchi?

Jonouchi: Ya. . . so what?

Honda: So this is your show now!

Jonouchi: Hey I like the sound of this! JONOUCHI –OH!

Pegasus: Well off I go...
