## 0 - Jini Singen

Jini Singen:

Age:15-16

Birthday:June 13(Just like mine!^.^)

Biography:Jini is a mage who had to go live with Yugi for the cause of her big sister,Mayu,getting married.She is high spirited and hyper with people she is used to and is mostly really shy and quiet.She has a big crush on Yugi.But soon becomes attached to his other self Yami.She can also use magic.Her specialty are air moves.Her older sister also.Her mother died in a carcrash and her father left them so her sister had to take care of her.Well,so you know she's like me!I only created her because I wanted to make a girl based on me to be in the Yugioh world!^.^It is a little mari-sueish,but you gotta live with it! Complaints will not work with me!

AndMy best friend has an oc in there also!^.^I'll put a pic of her soon!Her name is Aya Maruno.

The main reason I did this is to save place in my profile...and u can read about the other characters in my site!^^
