# 1 - Help Me

K.C: This is a fic that has been running through my head since I drew it as a Fan Manga/Comic.

**HIEI IS OOC(Out of Character) JUST LIKE HE IS IN MY OTHER STORY "I've Found You!" IF YOU DON'T LIKE DON'T READ!**

Disclaimer: I DON'T OWN YUYU HAKUSHO!

## Chapter 1. Help me...

Blood. It was all around him. He could smell it in the air and almost taste it, it was so thick around him. Limping badly he made his way towards an apartment complex. As he went he left a trail of the life giving liquid as it dripped from a long wound across his abdomen. On his way up the stairs he fell causing even more pain to surge through his body. After what seemed to be an eternity he made it to his destination, the Urameshi apartment. He rang the doorbell and knocked, but there was no answer. He persisted. Finally he heard footsteps coming towards the door.

'Thank Koenma,' he thought. The door opened and there stood an angry 15 year old boy with short black hair and brown eyes.

"WHAT DO YOU...want?" He quieted his voice dramatically on the last word. "Hiei?"

Lightning flashed and thunder boomed as the rain started to fall. There outside of Yusuke's apartment stood, Hiei, the fire demon. From what Yusuke could see, he was hurt pretty badly, but it was dark out and the only light was the street lamps and the lighting.

"Yusuke," Hiei said weakly. "Help... me..."

With those words, Hiei passed out from blood loss and from the pain. Yusuke caught him, bloodstaining his blue PJ's.

"HIEI! Oh my gosh! Just hang on!" Yusuke said dragging Hiei into the apartment. Yusuke saw the trail of blood being left behind. Sensing the urgency he ran to his room, turned on the light and placing Hiei on his bed. He ran to his SpiritWorld TV communicator and waited for it to turn on.

"KOENMA!!" Yusuke shouted at the TV. "BOTAN!! ANYONE, PLEASE ANSWER!!!"

In spirit world there awoke a very crabby Koenma as he stormed over to the screen that would answer Yusuke's call.

"WHAT DO YOU WANT, YUSUKE!?" Koenma shouted.

"Thank goodness, someone answered," Yusuke said his voice filled with relief. "Koenma, I need help!"

Koenma was slightly startled by Yusuke's tone of voice when he spoke. "What is it, Yusuke?"

"It's Hiei. He just showed up a little bit ago and he's hurt really bad!"

"How bad is 'really bad'?"

"Here let me show you." Yusuke walked behind the TV, lifted it and walked closer to Hiei, so Koenma could see Hiei. There was a long cut across his abdomen, his right leg was twisted in the wrong way that indicated that his leg was broken, his left arm also twisted but it was near his shoulder and it was swollen badly. There was also blood trickling down the middle of his face from a head wound.

"WHAT HAPPENED?!" Koenma shouted as Yusuke walked back into view.

"I don't know, he just showed up and passed out and then I put him in my bed and called you immediately!"

"I'll contact Genkai, you need to care for his wounds as best you can until she or I get there!"

"Right! And Koenma, please hurry!"

Koenma nodded and the link was closed. Yusuke shut the silver suitcase that the TV was in and ran to the first aid kit. He found it and realized that there wasn't anything he could use for a splint for Hiei's broken leg and arm. He ran to the kitchen and took one of the spare chairs and broke off all four of the legs. The makeshift splints and first aid kit in his arms he ran back to his room.

## 2 - A little help from his friends

### Chapter 2. A little help from his friends.

Yusuke made his way to his bed and set the items he had brought with him down. He opened the first aid kit and got out the bandages. Then he picked up two of the four chair legs and set one on the inside of Hiei's right leg the other on the outside. Then very gently yet tightly he began to wrap the broken leg. Hiei breathed in sharply as Yusuke wrapped it.

*'Just hold on, Hiei!'* Yusuke thought finishing the leg. He then did the same thing to Hiei's left arm. Tears started forming at Hiei's eyes from the pain.

Meanwhile in Spirit World, Koenma opened a telepathic link to Genkai on earth.

***"Genkai, Genkai, It's me Koenma, can you hear me?"*** Koenma said.

An old woman with strong brown eyes heard the message and spoke back to Koenma, ***"Yes, Koenma, I can hear you, what's the matter?"***

***"It's Hiei."***

***"What about him?"***

***"He's at Yusuke's apartment and he's hurt badly."***

***"How badly?"***

***"His left arm and right leg are broken, he has a minor head wound and a long cut across his abdomen. Yusuke is doing what he can to help Hiei but he needs help, I'm going there to see what I can do and I was wondering if you could hurry to Yusuke's to help out too."***

***"I'll be there as fast as I can!"*** With that the conversation between Genkai and Koenma ended.

Genkai ran out of her temple and off of the grounds towards the city. For a person in their prime it would have taken 15 to 20 minutes to get there, but Genkai, though she was old, she had a serious adrenaline rush and she was in the city limits within 5 minutes. She continued running towards Yusuke's apartment complex and on the way there she saw a trail of blood. She stopped for a moment to look at it, it had been slightly cleaned up by the thunderstorm that had come and gone rather quickly but there were still traces of the red liquid on the sidewalk. She looked ahead and found that the blood led to the stairs at Yusuke's apartment building.

*'Hiei,'* She thought taking off into a run once again. She made her way up the stairs and found, so she thought, the end of the trail of blood at Yusuke's door. She didn't even bother ringing the door bell or knocking on the door, because Yusuke had never closed it from when he dragged Hiei in from the rain.

"YUSUKE!!" Genkai shouted.

"GENKAI?" Yusuke asked with a tone of relief.

"WHERE ARE YOU?"

"IN MY ROOM!"

Genkai looked down and saw more blood on the floor. She ran towards Yusuke's room and ran inside, where she found Hiei lying in Yusuke's bed and Yusuke in his once blue pajamas.
