Chapter 1 - U & I

1 - U & I

the day i saw u i knew u were special,
it was 7th grade when i first saw u,
u were sweet & got some paper out of my hair,
back then u had long blonde hair, looking back it's pretty funny.
in the 8th grade we met again,
our friend got us together as a couple,
things were strange at first.

soon we said those three magic words 'i love u'.
on that day i looked into those deep green eyes & thought that i'd gone crazy.
we've been going strong for 4 months & 5 days now,
we had our first Christmas together just today.

our friends don't think we'll make it last, but i know we will.
no one thinks we're cute together, no one thinks we're a good couple.
they all say i'd be better off without u.

i wish they would've seen me try to be mad at u.

i tried to be mad at u because u lied but i took one look at your green eyes & blonde hair that looks like gold & i crumbled.

i love u too much for my own good.

i dream of u when i should be doing class work, i lay awake at night thinking of u when i should be sleeping.

i'm in too deep with u, i'm always waiting for u to come back only a second after u leave my arms. i miss u every second you're gone.
i'm waiting for u even now.

~Ding Dong~

"that must be him!"

~door squeaks as it opens~

"hi honey! i missed u!"
