It was a sunny day in The Anime world. Where in the Elric cafe shop. Everyone loved to stop in for a coffe or a pasterie.

There a very happy 21 yr old girl rubed her stomache.

"Hey!, Elain!" said a girl. She had Black hair that was shoulder length, a pair of glasses, dark colored skin, and brown eyes. She wore a pair of jeans and a red T-shirt. "Hi Angela", said Elain.

Angela sat down next to Elain. "So is anyone else here?", Elain asked. "No, their at home why?" she asked the 1/2 breed. "Well, Im 9 months pregnet and I wanted to tell them Im having a baby shower", Elain chirped.

Angela's eyes almost came out of her head. "So thats why you havent gone out with us!!" Angela screamed. "Yeah and when me and Syrus found out it was funny", she laughed at that memory.

Elain and a boy with Light blue hair wearing a Yellow T-shirt and black jeans where at the hospital waiting for the Doctor to tell them the news.

"Well Doctor whats the news?", said Syrus. "Elain's fine... Congradgulations she's preagnet!", The Doctor said. "WHAT!?!?!?!?!?", Syrus screeched.

Elain's face brightened with joy. "OH MY GOD", she screamed in joy. She huged Syrus who was in current shock.

The girls both laughed their heads off. "So what sort of gender is it?" Angela asked. "Thats gonna be a suprise" said Elain. "Thats cool, but did you agree on names yet?" she asked Elain. "Well if its a boy Jesse and if its a girl Sapphire", Elain said.

"Yo Yo Yo!, Whats up in HERE" said a girl who looked like Angela but with longer hair and no glasses but sun glasses. Elain and Angela had sweatbeads on their heads. "BRITT!, NO YELLING

"Ok, Flair you should take a chill pill" said Britt. "Mommy, whats hapening?" said a little boy who was Frig'in adorable. He had BlondishBrown hair, Golden Brown eyes and wore a Green tank top with a white shirt under it.

"IIIEEEEEEEE, HE'S SO CUTE, Flair is he youres?" Britt asked. "Yeah thats me and Al's son Sauskae" Flair said. "You named him after Saskae?", Elain asked right when Saskae walked in. "Yeah he's the who delivered him" Flair said picking up her son. "OOOOOOKKKKKKKKKK then", said Angela looking at Saskae who probaly wanted to die right there. "I remember it very well" she said.
