**Chapter 1 - Foolish Mistake**

# 1 - Foolish Mistake

## *Foolish Mistake*

I must be dreaming. Awaken me from this taunting sleep. For I could never find you and by chance keep the love I once had for you. So now just go leave me be! Torturing me for not awakening. My face is turning blue&Blue! From all the yelling for someone to awaken me. If I m not dreaming then did he say he loved me? Did I see, did I hear, did I touch him? What a fool I am&not to say I ve thought of him everyday and now he got away. What a fool I am.

I m restless in the awake of how I let you go, and now I know how it feels to love and to lose, to find the way and forget the way back. And now as I clench my pillow tight I hear a tap on my window. Through my eyes they did deceive, but I thought I saw my love take his leave. I fell asleep and awoke early in the morn. To find a bouquet of sweet scented roses lying by my door. I rubbed my tear-stained face and set a gentle smile break through. And I whispered ever so gently I miss you, too.
