Maybe it is time I started writing poetry again?

Chapter 1 - Ryan	2
Chapter 2 - Lily	3

1 - Ryan

*It has been three days since you hurt me
Yet I can't seem to simply move on.
It frustrates me greatly to know that I am
Still wanting to be with you.
It looks like you had me wrapped around your finger
Wrapped in a web I cannot escape from.
I am caught
And you are off somewhere
Not a care in the world
As I lay here and suffer.*

*I dreamed of you today
I had dreamt that you and I were together
And you left me for the first pretty girl you saw.
I was angry
I was bitter*

*So I beat the shoot out of that girl
And chopped your penis off.*

*I hope my heart will heal
And you end up as a girl.*

2 - Lily

*Just now
I was crying.
You were looking at me.
Your tail began to wag and you began to lick my face
Where tears had fallen.
Seeing you doing this made me cry even more.
So then you crawled your way into my lap
And made soft whining noises
As you licked my hand
And then my face
And then my eyes.*

*You were showing me you were there
Even though no one else in this house is.*
