Ok this is a story about a boy who grows up with a dragon and well I can't tell u much more than that but it's going to be a really sad story.

Chapter 1 - Finding The Past

1 - Finding The Past

Intro

Lost forever, placed in the darkness.

Thoughts of my past penetrating my mind.

I started screaming, screaming without words, screaming with pain.

Although there were no words I know what I wanted to say. I wanted to ask why, I wanted to ask why, I wanted to hold Blue Sugar one last time before I decided to take that last leap into death.

I looked down at the last step in my journey. In front of me was a cliff and in front of that was death. With one last chance to say it I told myself "I love you Blue Sugar" and jumped but as I did I began to remember the past.
