Chapter 1 - Torment By Evil's Hand

1 - Torment By Evil's Hand

The devil's missionary cries its dreadful warning
To be swallowed by the jaws of savage night
Its heeding blasphemy trumpets silently among the shadows
Sending a trembling wave of ebony to crush the faintest light.

The master of the infernal flame, that burns its blackest
In the scorched hearts of the malevolent cursed dead
Crawls from the lair of incessantly writhing agony
To consume the preachings of the worms on carnage fed.
