The Young Blood Ghost Hunting Team

You read right, people! The Young Blood Ghost Hunting Team is my team of paranormal investigators, and we're begging for clients.

Do you....

Hear rappings on walls?

Have unexpected dreams about dead loved ones you cannot explain?

Get moody in certain rooms and feeling fine in the next?

Feel cold in one area of a room, and warm in the next?

See things in the middle of the night, and sometimes in the day?

Often feel like your being watched?

Don't panic, it's just a ghost!

If you or someone you know feel you're being haunted by a spirit or an apparition (sp?) and live in the state of Arizona, feel free to contact the Young Blood Ghost Hunting Team at any time. Please note that we do not take clients on holidays.

Or on my account on which this add has been posted.

If you have already have had a group of paranormal investigators investigate your home, please do not contact us in hopes of us driving your ghost out. For this, please contact a priest, medium, ect.

Thank you!
