# 1 - The Beginning

"Well,here goes nothing"

Here I am,walking down the other side of the schoolbuilding,on my way to my seventh grade class. When I started walking down the halls,there were teachers calling out the names of the kids in their class.

A teacher with short,gray,frizzy hair and glasses walked up to me and said

"Katherine Stubbs,welcome to 7-1"Boy,how I disliked being called 'katherine'.Can't people just call me 'Kathy'?

Anyway,she led me to a medium sized classroom and when I realized the nameplate,it said 'Mrs.VaVilas'(I saw it coming...)

At about 10:30,Mrs.VaVilas called me to the desk. I haven't even done anything,yet!

"Deliver this to the office"she said"And tell them to...blah,blah,blah." I lost attention.

When she finished talking(which I had no idea what she said)**I ran off.**

Walking,I turned the corner and kept walking,and walking,and walking.Then I notice that the main stairs weren't getting any closer!Maybe they remodled over the summer...even though if they did the principle would have said that the halls were going to be 50 times longer and not to forget a bottle of water for your daily exercise of walking up and down these halls! Whwn I looked at my watch,time had completely STOPPED!!!! I tryed running back to the class,and when I got there everything was..... standing still. Alia was throwing a spit ball at the blackboard and it stopped mid-way.

"NOOOOO!!!" I shouted"What is going on here!?"

Then I remembered that my friends were in the bathroom,so that's where I headed next. I stopped at the girl's bathroom,my friends Marc,Corey and J.C. were standing infront of the door. Ok.....what the heck were they doing infront of the girl's bathroom!?

Well anyhow,I walked in a saw Ashling,Catherine andCheska standing infront of the water fountain.

"Hey," I began "Do you guys know what's going on? 'Cause time just stopped and..."

I was interupted by their blank stares.

"Um...guys?"

I waved my hand infront of their faces. Suddenly,everyone,even the boys infront of the bathroom

door,turned into these white,what's the word I'm looking for? Oh yeah,freaks! After two seconds,(If time was still going) I was surrounded by those white guys.

"Defeat the Nobodies."A mysterious voice said from out of nowhere.

Then,in a bright light that appeared in my hand,a giant key formed in it.

"What is this thing?" I asked with confused excitement.

Thne I got serious,so somehow,I knew how to use the key.One of the Nobodies kicked me against a wall and I felt something grab me and pull me into dark portal in the wall.(Dude!) Then I just blacked out. Well this was an interesting way to start the school year.(So much for my sot at perfect attendance...)

## 2 - I Don't Get You People!

Nope, still don't have that notebook! So, here's my attempt to improvise. XD

Disclaimer: Kathy belong to me. Other people belong to the real-life people who share their names. (no effin' duh)

### Chapter 2

What a head ache! It was only the first day of school, and it's already chaos! What a mess! Anyway, I got up and looked around. I saw Corey laying next to me, sleeping.

I shook him. "Hey Corey, wake up!" Nothing. "Hello?" Nope, still sleeping. ".....HEY DUMBY, WAKE UP!" I swear he was laughing at me in his sleep.....

A black portal opened, and a hooded guy walked out. Or was it a girl? I couldn't tell from the cloak. They removed their hood. It was Cheska.

"Do you know Sora?" She asked.

"Who?" I asked.

"SORA!!!" She was getting testy.

"Don't you listen, cloak girl? We don't know a Sora." Corey said startling me. Apperently, he ease-drops when he sleeps.

Another black portal opened and Marc walked out.

"He will lead us to Kingdom Hearts." He said.

"Meaning....." I asked.

J.C. walked out of a dark portal. "It will make us whole." He said. Now, it gets complicated.

"Whole?"

Catherine walked out of a dark portal. "It will give us back our other halves." She said. ...Say what? O.o

Ashling walked out of another dark portal. Getting pretty crowded here..... "He will open the door to darkness." She said.

"Also meaning....." I'm asking alot of questions, ain't I?

"It means, darkness will take the worlds, and there's nothing you can do to stop us!" Cheska said. She seems angry.....maybe she needs more fiber in her diet.

"Maybe you guys should GET A LIFE!" Cory shouted. I stared at him.

"We need Sora to use the power of Kingdom Hearts to bring darkness to the worlds" (you said that) "And give the Heartless and Nobodies stronger." Catherine said. Sheesh! Geico commercials make more sence...

A dark portal opened behind me and Corey. Someone grabbed us by the back of our shirts and dragged us into the portal.
