1 - The Letter

I thought I wanted gems
I thought I wanted jewels
So I stole trying to make my self happy
But yet I was not
Then I met you and my life changed.....
Forever
You save me
When I stood there, staring into you violet eyes
I knew it was you I wanted
Not jewels and gems....
But love
I could see it in your eyes
You love me, too
But yet I know as stubborn as you are
You will never tell me so
But I can sill hope....
Right?
I just want to say I love you
My tears stain the paper as I wright
I hope you will get this in time
But I must go
Say good-bye to Sonic, Amy, Bandrat, Tikal, Shadow and everyone else for me
Iâ€™m going to find the last of the Chosen Ones
So we can go home
If Iâ€™m not back in a year.....
Then....
J.S. has struck.....
I will always love you!
And donâ€™t forget that I am with you....
Always
You may not see Me but I am there
In your heart
All I ever wanted was love
Someone to care about me
Someone I could cry with
Someone to love
Someone Like you
Good bye.....
Forever
