1 - Pairings Decided... For Better or for Worse

Hello again. Yet again I have an important note that all the characters may seem a little, er, strange here. I'll warn you right now about the changes I have made. Ulrich is depressed and quieter, Yumi likes taking Ulrich's sword and has a weird obsession with killing perverts...and Sissy... Theo is a major pervert, but Sissy is in love with him. Sissy is, as always, annoying and Odd is the same old goofy Odd. Herbis also *really* obsessed with Sissy. Some minor characters shall be included and their personalities will be determined by me. Some parts are pretty exaggerated, and if I offend any Code Lyoko fans who like everything the way it is, I'm sorry. (I'm a Code Lyoko fan, too! ^^) The basic love-hate relationships stay the same, though. Also, it would be best if you read FearFactor Lyoko first, then Survivor:Lyoko, and then this. Then you'll be able to understand why everyone does the things that they do.

Me: Welcome, everyone, to the all-new season of Amazing Race! If you have not watched this show before, the contestants travel around the world to try and find the next step to winning one million dollars! This year, instead of the contestants choosing their own partners, we randomly chose for them! And we're competing in a world called...Lyoko. Hmm... these names look strangely familiar (refer to Survivor:Lyoko and FearFactor Lyoko)... Oh, well, please welcome Yumi and Nicholas!

Yumi and Nicholas enter the area where I am standing

Yumi: Oh, well. I guess this is better than Sissy...<.<

Nicholas: Hm?

Yumi: Oh, nothing... *attempts to look innocent*

Me: *hands Yumi a brochure-like paper* This will tell you where to look for the next part of the instructions. (thinking) Oh no! Please don't recognize me, please please please please...

Yumi: Hmm... *studies my face* You look kind of... familiar

Me: *panics* Um, um, no! I don't think that, um, you ever saw me because, um, I never saw you before! *says this while shoving Yumi and Nicholas away* You'd better get started then!

Yumi: Okaaay...

Nicholas: That was strange...

Yumi: You're telling me.

Yumi and Nicholas walk away

Me: Whew. That was close.

Yumi: *reading paper* O.OWha?

Nicholas: *strains to look* What does it say?

Yumi: It says that we have to find the tree with exactly 1,421 leaves in the forest region!

Nicholas: Well *looks around* we're in the forest region...

Yumi: Now all we have to do is... count... *sigh*

Nicholas: One, two, three...

Me: Now for the next pair! Jim and the principal of Kadics Middle School! *hands them the brochure-like paper*

Jim: Tell me why we're doing this again...

Principal: (happily) To advertise! Obviously!

Jim: Oh, yeah... *sighs*

the principal starts to tap dance excitedly with Jim following half-heartedly

Jim and the principal: (singing) *Come to Kadics Middle School! Where your kids always come first!*

Me: o.O *twitches* AHHHHHHHH!!!!!! My eyes! They burn! *runs around*

Principal: What's her problem?

Jim: *shrugs*

Jim and the principal walk away

Me: Owwie... where are my eyedrops?

Principal: So we have to find the tree with 1,421 leaves, huh?

Jim: Seems that way.

Principal: And it's in the forest region?

Jim: Yup.

Principal: Then... WHERE ARE WE?!?!?!?!?

clouds of sand swirl about them

Me: Okay, I've got my eyedrops. ^^ Now for the next group! Here are Dorothy and Mrs. Hertz!

Dorothy: Ummm... how did I get here?

Mrs. Hertz: I need to teach my classes! *panics*

Me: Ummm... here *hands them the instructions*

Dorothy: Oh, thank you.

Mrs. Hertz: Yes, good bye!

Me: Bye! *as they walk away* I wonder why they were surprised that they were here...

Dorothy: It says here that we should be searching for a tree with 1,421 leaves.

Mrs. Hertz: Well, we could count or...

Dorothy: Or...

Mrs. Hertz: Estimate the number according to the circumference, radius, diameter, and area. Examine each one that is closest and find the right one in no time!

Dorothy: Wow.

Me: Our next pair will be leaving soon. Here they are, Jeremie and Samantha!

Jeremie: Ummm... Aren't you Odd's girlfriend?

Samantha: Yeah, why am I with you?

Jeremie: I have no idea.

Me: Well, anyways, here you go. *gives them the instructions*

Samantha: Oh, okay.

Jeremie: Sooo...we'll be leaving then...

they leave

Me: Maybe everything will be calmer now...

Samantha: *sighs* I'm bored...

Jeremie: Well, here's the tree.

Samantha: And here are the next instructions...(sarcastically) How fun.

Me: Now, welcome Aelita and Herb!

Aelita: Hello!

Herb: Yeah, hi.

Me: Um, here it is. *gives them instructions*

Aelita: Okay, bye.

they walk away

Me: (happily) Yay! They're normal! ^^

Aelita: I'm telling you, the forest region is this way! *points*

Herb: No, it's that way! *points in the opposite direction*

Aelita: I should know, I live here.

Herb: Well, I bet I'm smarter than you so there!

Aelita: (mutters) You wish...

Me: Hmm... Odd and Sissy!

Sissy: *frantically shakes me by the shoulders* You *need* to let me change partners!

Me: I don't *need* to do anything!

Sissy: I'll take anyone! Even Yumi!

Odd: Oh, get over it.

Sissy: Noooooo!!!

Sissy is dragged away by security

Me: *sigh* So much for normal...

Odd: Sissy, stop sulking! I don't want to be your partner either!

Sissy: Well, then leave!

Odd: (mutters) I wish it was that easy... (yells) We have to find the tree with 1, 421 leaves!

Sissy: We? WE?! You get it!! I'm not going anywhere!

Odd: Fine! *stomps away*

Sissy: Hmph.

Me: Now for the next pair! Talia and Emily!

Talia: Hi! We have a shoutout!

Me: A... shoutout?

Emily: Yeah. Hey, producers of *Code Lyoko*! Why did we only get one episode?

Talia: Yeah, what's wrong with you?!

Emily: Yumi, Odd, and Ulrich... They get *all* the episodes!

Talia: Yeah, why did you do that?!

Me: Wait wait. You're not supposed to give shoutouts. Here. *hands them instructions* Now, you may leave.

Talia: But we still have more shoutouts!

Emily: We might as well leave. It seems we are not wanted here. *glares at me*
they leave

Me: They just keep getting weirder and weirder...

Talia: That girl was mean!

Emily: Yeah! We didn't even get to the good shoutouts!

Talia: Wait a minute, cameras *are* following us, right?

Emily: Heh heh *grinsevilly*

Me: Now, finally, we get to our last pair. Ulrich and Theo!

Ulrich: I can't believe it!

Theo: I can't believe it!

Ulrich and Theo: (in unison) I'm on the same team as you! *each points to the other*

Me: Well thank you for stating the obvious and here are your instructions. *hands them instructions*

Theo: Hey, why are we last?

Me: Stop asking questions and get a head start, then.

they walk away bickering

Me: *sigh* I can't believe I have to do this for the rest of the season...

Ulrich: 1, 421 leaves?! Fine, I'll count.

Theo: Why not me?!

Ulrich: Because I highly doubt you even know how to count on your fingers.

Theo: I do too know!

Ulrich: Fine, let's get started.

Theo: Fine!

Ulrich: Fine!

Theo: FINE!

Ulrich: FINE!

Okay, sorry if some parts didn't flow well or were boring. I have some things planned that need build-up so this was like the foundation. Comments?
