Chapter 1 - 1

1 - 1

He was a great champion of the sayian race,
He gave it his all every time,
He always showed his power within his face,
It was only a matter of time before he destroyed the human race.

He trained his hardest with all his might,
And when he finally become Super Sayian,
He blew an android out of sight,
He did what he thought was right!

Then he fought his old enemy Goku it's true,
It was a good fight,
I'm telling you,
They went to super sayian two.

He gave his all no one won,
It was a good fight,
Goku went home to his son,
Vegeta went back to train a ton!
