*I poem I put together over two days for someone I care for deeply. It can be used in other ways, but I think this person can figure out that it's for them.*

*Anyway, this is one of the first poems I've done that satisfy me. Here we go, then..*

# 1 - Wish

Once upon a time  
We sat under the stars  
Your hand in mine  
Together  
Side by side

To you then I whispered  
The burden of my heart  
I shared all the things  
I feared would tear us apart

I told you much  
In such a short time  
About praying for you  
Until I cried

And cry I did  
Into unsettled sleep  
Dreaming again  
Not of pain nor bliss  
Just somewhere inbetween  
It's your name I whisper  
To the One I call King

In the stillness  
For your safety I ask  
And that someday you'll see  
That someone called Jesus  
Loves you just as much  
As He's always loved me

After this long  
In prayer for you  
My spirit sometime shakes  
And My hope sometimes breaks  
Yet I shall always keep faith

I'll keep on praying  
That someday you'll see  
But until then  
I'll just keep whispering your name

Quietly to the One I call King
