Your brown eyes
Are so far away
If god could only hear my cries
Then my skies wouldn't be so gray

Your eyes, they shimmer
Like the ocean's tide
And they also glimmer
That you can't hide

But surely if I see you
It will be too late
Because when your heart turns blue
Say good-bye to fate

So brown eyes i'll see you soon
Hopefully sooner than expected
Our secret is held by the moon
Til then i shall be neglected
