A quick number I wrote down for my boyfriend Chris. :3 I hope you like this as much as he did... and maybe if I get enough of a good feedback I may have to put it into music <3

Chapter 1 - The Song!

1 - The Song!

Why can't we just slip away?[br]
Into the hazy skys[br]
Even you're ashamed of the love we share[br]
Because we are two guys[br]
And this World turns[br]
In a neurotic style[br]
And it breaks us down[br]
So you change your profile[br]
These tears shed of mine[br]
Are the tears of denial[br]
You've been watching them flow out[br]
And they've been coming for a while[br]
And I want to be somewhere else[br]
Somewhere that isn't Earth[br]
Away from the judgement[br]
I want to find some mirth[br]
[br]
I want you to grab me[br]
And for us to fly away[br]
Because life is becoming a burden[br]
And I want us to leave this World today[br]
I want to be held[br]
As you stretch-out your wings[br]
We can discover somewhere new[br]
You can be the king[br]
[br]
Take me on a slow flight[br]
Out of England to elsewhere[br]
Take me on a slow flight[br]
I'm sick of being sincere[br]
To a life[br]
That just isn't me[br]
Take me on a slow flight[br]
Let me be free[br]
[br]
The wind howls through the trees[br]
In the dead of the night[br]
It makes me feel alone[br]
In this struggling fight[br]

Then I wake up and see you[br]
The very next day[br]
It reminds me that I need you[br]
In each and every way[br]
So make sure to keep me[br]
Or I may not find it within myself[br]
To keep on plodding through[br]
And to maintain my own health[br]
Because pain that doesn't show[br]
Is the worst by far[br]
Man's drugs cannot heal[br]
The bleeding broken heart[br]
[br]
I want you to grab me[br]
And for us to fly away[br]
Because life is becoming a burden[br]
And I want us to leave this World today[br]
I want to be held[br]
As you stretch-out your wings[br]
We can discover somewhere new[br]
You can be the king[br]
[br]
Take me on a slow flight[br]
Out of England to elsewhere[br]
Take me on a slow flight[br]
I'm sick of being sincere[br]
To a life[br]
That just isn't me[br]
Take me on a slow flight[br]
Let me be free[br]
[br]
Now I know there are days[br]
When you get home and breakdown[br]
You've told me so[br]
So I doubt you would argue[br]
Or put up a fight[br]
If I suggested a new home[br]
If we were each other's company[br]
And with this, alone[br]
[br]
So let's get away![br]
Waste no-more time[br]
Because when I'm with you[br]
There is so much inspiration that I find[br]
To release my potential[br]
And be on the top of my game[br]
Without you I look at these scheduled faces[br]

And fear I may become the same[br]
You'll never know how much I need you[br]
I can't express it in words[br]
I'd give up everything[br]
The wind, Earth and birds[br]
I'd slip into nowhere[br]
As long as I could be with you[br]
Because even nowhere is somewhere[br]
When I am with you[br]
[br]
I want you to grab me[br]
And for us to fly away[br]
Because life is becoming a burden[br]
And I want us to leave this World today[br]
I want to be held[br]
As you stretch-out your wings[br]
We can discover somewhere new[br]
You can be the king[br]
[br]
Take me on a slow flight[br]
Out of England to elsewhere[br]
Take me on a slow flight[br]
I'm sick of being sincere[br]
To a life[br]
That just isn't me[br]
Take me on a slow flight[br]
Let me be free[br]
