This is a poem I wrote in science class. Me and RavenGothGirl were seeing who could right a better poem.

(Mine is way better!) JK! RGG!

1 - My Love Has Turned To Pain

My Love Has Turned To Pain

My love has turned to pain

As I stand here in the rain

She left me with a broken heart

I wish we weren't apart

I want us to be together

I want us together forever

But now she is gone

As I stand on the wet lawn

Now as I stand in the rain

My love has turned to pain
