The time

Hold me the way you did,

Give me strength the way you did,

Whisper to me the way you did,

I wont lose you, until it is time to lose.

I wont scream to you, until it is time to scream.

I wont leave you, until it is time to leave.

The time you held me I felt secure,

The time you dropped me it gave me a big time of blur.

The time you kissed me I felt Romance,

The time you where standing alone, I only wanted to dance.

The time we had a cuddle I felt guarded.

By you..

Only you ..

The time I saw you I felt happy,

The time you ignored me I felt crappy.

The time we made love to each other I felt if I was an Adult,

The time we had a fight, you said it was all my fault.

The time you dragged me home I felt Save,

In that time you learned me how to behave, and it was all,

By you..

Only you ..
