Chapter 1 - The land of love

1 - The land of love

Do you really want to go and leave me behind?

Do you really want to go and leave me blind?

You shadowed me, were there for me, but I couldn't feel what people said.

How does it work, how does it go?

Still... I don't know.

Clueless I stayed, Clueless I prayed.

So hard,

That the whole world could hear my prayers.

Haunted by this rough emotion that kept pushing me into a black hole.

Do you really want to go and leave me behind?

Do you really want to go and leave me blind?

I was thinking of this,

How would I be able to miss...

Your part of the whole me?

Cuz that was all I could see,

In you...

Do you really want to go and leave me behind?

Do you really want to go and leave me blind?

Not knowing where I was,

He kept holding me in his grasp.

Where am I? , was what I asked him loudly.

You are in the land of Love.
