**Chapter 1 - Get Out**

# 1 - Get Out

That night,  
I closed my eyes,  
And realized,  
I was living in lies.  
I'm tired of the thoughts,  
Stuck in my head.  
Can't stop thinking about,  
All the things that you've said.  
There's smoke in my eyes,  
Burning in my lungs.  
Remember the times,  
All the songs that we've sung.  
But those days are gone,  
I'm running away,  
From all the things,  
That make you stay.  
So there's someone else,  
Don't tell me who.  
I'm dying now,  
How 'bout you?  
I know that you love,  
And I know that you care.  
But please just shut up,  
My life has gone bare.  
Without you, I am nothing.  
Without you, I will continue to crawl.  
Without you, I've lost all my somethings.  
Without you, I am stuck to the wall.  
I need this,  
You promised,  
But you lied,  
Get out of this.  
My life is mine,  
Your life is yours.  
I'm okay,  
Just get out those fracking doors.  
The only part of you,  
That I wanna see  
Is the back of you,  
Now get your shoot and leave.  
I can't stand being sad,  
I don't wanna be mad,

But now that you're gone,  
I've learned how to get along.  
They said you've taken the best of me,  
And left behind the rest of me,  
But I'm fine,  
I've drawn the line,  
So go,  
And leave me, you ho.  
I'm okay,  
I'll stay.  
Just leave me alone,  
I can make it on my own.
