Ever since I met you
I've been happy
All I want is you
All I need is you

Baby, I love you
Baby, I want you
All I need is you
To be by my side
Loving me, wanting me

Baby, I love you
Baby, I want you
You're everything to me
You're all I need
You're all I want

When we first met, I knew I found someone special
I knew you were the only one I needed
The only one I could ever love, ever want
No matter how wrong they think our love is
I'll be with you, by your side forever

Baby, I love you
Baby, I want you
All I need is you
To be by my side
Loving me, wanting me

Baby, I love you
You're everything to me
I won't ever let go

You're all I need, all I want

I'm happy you stay by my side
Loving me the way I love you
Dreaming 'bout me the way I do you
And I know you'll be there with me
No matter how wrong they think it is
I'm glad I'm wrong if I'm wrong with you

Baby, I love you
Baby, I want you
All I need is you
To be by my side
Loving me, wanting me
You're everything to me
You're all I need

They say that being with you is a mistake
And you learn by your mistakes
If that's true, I haven't learned
How to live without that mistake
Baby, I need your love
I want you heart and soul 'coz

Baby, I love you
I want you by my side
I need you by my side
And no matter what they say or do
I will always love you
